Kn House
Password: 77777777

AIR CONDITIONING

- Please keep the windows and terrace doors closed while the air conditioning is running
- Please do not set the temperature too low
- In case of any problem, do not try to repair the equipment yourself. Please contact the villa manager

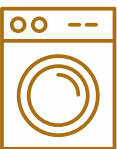

SWIMMING POOL

- Do not change the pool equipment settings
- Do not enter the technical room
- Do not throw foreign objects into the pool
- Children may use the pool only under adult supervision
- Do not use glass bottles or glasses near the pool

KITCHEN

- Use only special dishwasher tablets
- Do not leave the hob or oven unattended
- After use, please check that all kitchen appliances are switched off

WASHING MACHINE

- Do not overload the washing machine
- Use only suitable laundry products
- Check all clothing pockets before washing
- After use, leave the doors slightly open

OUTDOOR FIREPLACE

- The fireplace is intended for cooking with wood or charcoal
- Never leave the fire unattended
- Keep children away from the fire and hot surfaces
- After use, make sure the fire and charcoal are completely extinguished

TV AND ENTERTAINMENT

- You may use the Smart TV, available applications
- Do not change the system settings on the TV
- Please sign out of your personal accounts after use

WASTE

- Please separate the waste if separate bins are available
- Do not leave rubbish inside the villa before check-out
- The villa manager will provide information about where to dispose of the rubbish
